**FOOLING OF WORK**

Mr. Humphries spoke of the situation which had resulted from the pooling of these ideas by district associations and the campaign for the Olympic Games, "this can be done for a geriatric hospital, for the aged, for a hospital aged for the aged."

Mr. Humphries said the hospital would be built at Woy Woy once they had this motion accepted.

A motion had been proposed to the Board of a geriatric hospital, which specialises in the treatment of the aged, was accepted.

Mr. Humphries stated that the proposal would rise to the Board of a geriatric hospital, which specialises in the treatment of the aged, was accepted.
