Gosford District Hospital nurses Heather McMullen, of Eloora Road, The Entrance, and Doreen Woodland of Bondi, had good reason for their happy smiles when this photograph was taken on Tuesday — they had just received news of their passes in the N.S.W. Nurses' Registration Board Final Examinations. Nurse McMullen is the only daughter of Mr. and Mrs. A. McMullen of The Entrance, while Nurse Woodland is the third daughter of Mrs. D. Woodland of Bondi; she spent her entire childhood as a resident of Tuggerawong and has done all her nursing training at Gosford Hospital. Two other G.D.H. girls, who were not available to be photographed, were also on the pass list. They are Nurses Anne Hockey of Point Clare and Val Kennedy of East Gosford. All four girls will attend a graduation ceremony to be held at the hospital on Friday night, June 2. —(Laurie Andrews photo).
