The rainbow and raindrops make an effective background in this photo taken at the Gosford Hospital's fourth annual ball on Friday night. Seen with the chairman of the ball committee, Deputy Matron Sister Marie Lowndes (right), are left to right, Sisters Haidee Holden and Bev Love and Mrs. Midge Porter, housekeeper at the hospital. Hospital engineer, Mr. Brown, and the maintenance staff were responsible for the erection and making of the rainbow.

—Laurie Andrews photos

Dr. Craig Duncan finds time in between the dancing at the hospital ball to pose for our cameraman, Laurie Andrews with three attractive nurses — left to right — Kerry Vickery, Dr. Duncan, Jennifer O'Neill and Betty Cottam.
