Gosford District Hospital was chosen this year as the venue for the Conference of Zone 2 Matrons. Matrons present at the Conference came from Merriwa, Dungog, WallSEND, Waratah, NEW LAMBTON, Kurri Kurri, Gosford, Royal Newcastle, Scone, Cessnock and Singleton.

A most interesting and informative lecture on accident cases was given to the Conference by a local medical officer. Following luncheon at the hospital and an inspection of the new extensions at the hospital, the party then adjourned to "Kewita", the home of Mr. E. H. Humphries, MLA, Member for Gosford, and Mrs. Humphries, where a lovey afternoon was spent. Miss Martin, Matron Merriwa District Hospital, Miss Burley, Matron Cessnock District Hospital, Miss Hinds, Matron WallSEND Hospital, Miss Savage, Rankin Park Chest Hospital, Miss Hill, Matron Royal Newcastle Hospital, Miss Kilpatrick, Matron Rankin Park Chest Hospital, and Miss Inskip, Matron Singleton District Hospital, viewed the camellias for which "Kewita" is famous. This visit proved a highlight of the Conference.

The Zone 2 Conference is an annual event and to date, has taken place in Newcastle. Matrons attending the Zone 2 Conference at Gosford recently pose for our cameraman, Rodney Curtis in the Gosford District Hospital grounds.
