Dear The Hunter

Princess Alexandra is so touched by your kind letter and she has asked me to thank you and the Pink Ladies' of Gosford Hospital for sending her the photographs taken during her visit to Old Sydney Town. The Princess is delighted to have these as a lasting reminder of a very happy day.

Her Royal Highness and Mr. Ogilvy both well remember talking to some of you and so it is with great interest that they have read your letter describing your work.

In thanking you again, Princess Alexandra and her husband send their best wishes to you and all the Pink Ladies' of Gosford Hospital.

Yours Sincerely
Mary Fitzalan Howard
Lady-in-Waiting
