I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practise my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to elevate the standard of my profession and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavour to aid the physician in his work and devote myself to the welfare of those committed to my care.

... NURSING AIDES

As a nursing Aide, I hereby dedicate myself to care for the sick and suffering in accordance with my training and the skills and understanding I have been taught. I will refrain from discussing matters of a personal or private nature which come to me in the course of my career. I will nurse with dignity, kindness, consideration and humanity, persons of any race, creed, colour, politics and social status. I will strive to maintain my nursing knowledge and skills at the highest level needed for my place in the nursing team.
