

Nurses' Pledge

*

I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practise my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to elevate the standard of my profession and will hold in confidence all personal matters committed to my keeping, all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavour to aid the physician in his work, and devote myself to the welfare of those committed to my care.
